The Administrative Office of York County Courts is warning the public regarding fake emails involving notices to appear for hearings. The office has received several inquiries from members of the public who have received an email message that reads:

"You have to appear in the court on the April 06.

You are kindly asked to prepare and bring the documents relating to the case to Court on the specified date. Note: the case may be heard by the judge in your absence if you do not come."

The York County Courts do not use email messages to notify litigants of hearings. Individuals who receive this email message are advised to disregard and delete it.
